GRAND FINAL 2007 / JUNIOR DRIVER PACKAGE

Dear distributor,

We have now taken the decision who we offer the additional Junior category packages, which got released by other countries.

Originally we were able to offer 2 packages, but in the meantime we have got informed about another one being released.

We thank all of the interested distributors but simply had not enough packages to full fill every ones interest. Every country interested would have deserved a package for some reason.

Anyway we have decided that following countries get an additional package for Junior category.

1 x UK
1 x RUSSIA
1 x JAPAN

As soon as we get any more packages released we will inform you again !

Best regards,

BRP-ROTAX
