

Award "Distributor of the year 2007"

The Distributor Assessment Kart 2007 has also been done to award the "Distributors of the year 2007".

Many distributors have been performing very well and therefore it was really a neck and neck race until the end of the year. At the end three distributors have achieved the maximum possible points.

Therefore the award "Distributor of the year 2007" goes to (in alphabetic order):

EIKO co.(Japan)

KARTS ENTRETENIMIENTO MEXICO S.A. de C.V. (Mexico)

SODIKART (France)

Congratulations to the distributors of the year 2007!!!

We will provide you with the awards and prizes within the next weeks.

Best regards,

BRP-Rotax
