**GRAND FINALS 2012/ PORTIMAO / POR**  
**LOCATION**

Dear Distributors !

It is our pleasure to **officially** announce the date as well as the location of the ROTAX Grand Finals 2012.

Most likely a lot of you already know at least the location (as it was already communicated during the drivers party of the grand finals 2011.)

The event will take place in the time frame of

**28.Nov. - 01. Dec. 2012**

at the track of

**Kartodromo internacional Algarve**  
close to the city of  
**Portimao**  
in  
**Portugal**

The Grand finals 2012 return to a known country but a totally new location in the very south of Portugal. The great landscape, the fast and breathtaking track as well as the dedicated on-site team will ensure outstanding Grand finals.

Following the growing demand from the market we will after its introduction in 2010 grow the 125 MAX DD2 Masters category from 48 to 58 drivers. This will allow more master drivers from all over the world to participate and spend the time of their life racing against even aged fellows.

The track of **Kartodromo internacional Algarve** is located 20 minutes outside of the coast city of Portimao, which is approx. 1 hour outside of Faro or 2 hours from Lisbon – the next airports.
