## 7. FREQUENTLY ASKED QUESTIONS:

**1. How can I book hotel, flights, rental car?**

All bookings can be made via the Grand Final travel agency ALBA TRAVEL (detail see pages 4 to 6)

**2. Do I need a visa to enter / stay in UAE ?**

Yes , see item page 3 and 4, citizens of some countries will not need a visa upon arrival others have to apply for a visa. Pls. check with your local embassy.

**3. Do I need a rental car?**

Yes, you will need one, the main distance will be from the airport (Abu Dhabi or Dubai) to the track /hotels . Once you are there all locations are in the range of max. 20 minutes from the track. The BRP-Powertrain authorized travel agency offers rental cars (detail see page 5)

**4. What about speeding on the road ?**

There is no tolerance on speeding, so pls. follow speed limits. Rental cars start being at 120 km/h (which is the speed limit on highways)

**5. Do I need a special driving licence to rent and drive a rental car ?**

Yes, there is strict rules in the UAE, you need an international driving permission/permit. Pls. check with your local automobile federation.

**6. What do I need to adhere knowing that I am in an Arabic country ?**

The UAE is a safe place to be, but as it is an arabic country there is some differences in legislation. Local laws reflect the fact that the UAE is a muslim country. You should respect local customs and sensitivities at all times

We can not offer a full list of DO´S AND DON´TS but here is some items to take care of:

- In our opinion even a small crime might lead to be imprisoned such as being top less, being drunk in the public, bad behaviour.....
- Consuming, smuggling or dealing with drugs might get penalized by up to 25 years of prison. Even drug consumption in the past proven by urine testing might get you in trouble.
- If carrying pharmaceuticals you should carry also a written Doctor's prescription
- Talking to local girls or ladies even a minor misunderstanding could get you in serious trouble with police.

*Pls. check for more details with your local embassy or ministry of foreign affairs.*

**7. What about alcohol ?**

Alcohol is not available except in hotels. Drinking alcohol in public is forbidden. Import of alcohol for personal usage into Dubai and Abu Dhabi is allowed according to custom rules. Link for more information.

<http://www.uaeinteract.com/travel/customs.asp>

It is also illegal to drink alcohol under the age of 18. If a person under 18 is arrested with alcohol in their blood stream, it is highly likely that they will receive a prison sentence.

Because it is an offence in the UAE to drink and drive, no matter how small the amount, your insurance is likely to be invalidated, leaving you to pay the claims of other parties involved. If you are in the slightest doubt, take a taxi *In case of doubt pls. check for limits and more details with your local embassy.*

**8. Do I need any insurance ?**

We strongly recommend that you obtain comprehensive travel and medical insurance before traveling. You should check any exclusions, and that your policy covers you for the activities you want to undertake as well as an emergency return insurance.

**9. When will the event be held?**

1 engine with all its ancillaries (incl. 1 carburettor) and battery charger with UK plug.

Each driver gets a space allocated, a complete tool box as well as a kit of kart maintenance products (chains spray, brake cleaner...) Electricity is supplied free of charge.

Drivers will be supported by mechanics of the chassis brand they will use in this class as well as people of BRP-Powertrain regarding the engine.

**But you will definitely need a personal mechanic to support you.**

**14. How are the required spare parts handled? Meaning how do the drivers get them if needed? Are they provided free of charge or need to be bought?**

All spare parts for chassis and engines are available at a shop on site.

In case a part of an engine or chassis is to be replaced or damaged supplier will decide if it's covered under warranty. If not parts have to get purchased at usual market prices.

15. **Can some one take their own carburettor or exhaust for instance and use them?**  
NO, all carburettors and exhausts are marked with a number, others are illegal.
16. **Do I need to bring any chassis parts**  
NO, only parts are legal to be used which are available on site
