## DEAR ROTAX DRIVER,

Get ready for the 2023 RMC Grand Festival! We cannot wait to welcome you at Karting Genk: Home of Champions in the weekend of 1 - 3 September 2023.

The 2023 RMC Grand Festival will be the place to be for the youngest stars of the Rotax-family: the Micro MAX and Mini MAX drivers. Not only will the winners in both classes grab a ticket for the 2023 RMC Grand Finals in Bahrein, there are more prizes available and nobody will go home empty-handed.

We aim to make this an unforgettable event with a unique programme. On top of this, race-control and livestreaming will be available during the event.
